Between

AgroParisTech

And

The University of Jordan
Between:

The Paris Institute of Technology for Life, Food and Environmental Sciences, AgroParisTech, attached to the Ministry of Agriculture, Food and Forestry of the Republic of France, located at 16 rue Claude Bernard, 75231 PARIS cedex, France, represented by his general director, Professor Gilles TRYSTRAM,

referred to herein as “AgroParisTech”, “APT”

On the one hand

And:

The University of Jordan (UJ) whose head office is located at Queen Rania street, Amman 11942 Jordan, represented by Professor Ekhleif TARAWNEH, president of The University of Jordan:

Hereinafter referred to as “UJ”

On the other hand

Hereinafter collectively referred to as the “Parties”.

Whereas the two parties desire to develop academic cooperation in various fields, the two parties conclude this Memorandum of Understanding (MoU) and agree to the following:

**Article 1**-To develop the following collaborative activities in academic areas of mutual interest:

1. Exchange of faculty and researchers for purposes of teaching, conducting lectures, conducting research, and exchange of expertise.
2. Exchange of students subject to terms to be outlined in a separate Student Exchange Agreement.
3. Conducting collaborative research projects.
4. Jointly organize symposia, seminars, and conferences.
5. Exchange of academic information and materials.
6. Development of joint educational programs.

**Article 2**-The development and implementation of specific activities based on this MoU will be separately negotiated and agreed between the faculties, or institutes, which carry out the specific projects. Both parties agree to carry out these activities in accordance with the laws and regulations of both countries.

**Article 3**-It is understood that the implementation of any of the types of cooperation stated in Article 1 shall depend upon the availability of resources and financial support at both parties.
Article 4-Should any collaborative research activities under this MoU result in any potential for intellectual property, both parties shall seek a fair understanding as to ownership and other property interests that may arise.

Article 5-This MoU may be amended or modified by written agreements signed by the representatives of both parties, and will become part of this MoU.

Article 6-This MoU is valid for a period of four years commencing on the date signed by the last party, and may be renewed after being reviewed and renegotiated by both parties.

Article 7-This MoU may, at any time during its period of validity, be terminated by one of the parties upon written notice to the other party not later than six months before the termination date. The termination will not affect ongoing activities.
