Memorandum of Understanding
on Academic Cooperation
between
The University of Jordan
and
VS Sobolev Institute of Geology and Mineralogy of Siberian Branch of Russian Academy of Sciences

First party: The University of Jordan, Amman, 11942, Jordan, represented by Professor Ekhleif Tarawneh.

Second party: VS Sobolev Institute of Geology and Mineralogy of Siberian Branch of Russian Academy of Sciences (SB RAS), Russia, hereinafter referred to as "the Institute", represented by its Deputy Director Dr. V.N. Reutsky.

Whereas the two parties desire to develop academic cooperation in various fields, the two parties conclude this Memorandum of Understanding (MoU) and agree to the following:

Article 1 – To develop the following collaborative activities in academic areas of mutual interest:

1. Conducting collaborative research projects.
2. Exchange of academic information and materials.

Article 2 – The development and implementation of specific activities based on this MoU will be separately negotiated and agreed between the faculties, or institutes, which carry out the specific projects. Both parties agree to carry out these activities in accordance with the laws and regulations of both countries.

Article 3 – It is understood that the implementation of any of the types of cooperation stated in article 1 shall depend upon the availability of resources and financial support at both parties.

Article 4 – Should any collaborative research activities under this MoU result in any potential for intellectual property, both parties shall seek a fair understanding as to ownership and other property interests that may arise.

Article 5 – This MoU may be amended or modified by written agreements signed by the representatives of both parties, and will become part of this MoU.
Article 6 – This MoU is valid for a period of three years (2015-2017) commencing on the date signed by the last party, and may be renewed after being reviewed and renegotiated by both parties.

Article 7 – This MoU may, at any time during its period of validity, be terminated by one of the parties upon written notice to the other party not later than six months before the termination date. The termination will not affect ongoing activities.
